

“Thank you to everyone that came out and voted for me. I am honored to be the candidate that received the most votes for District 1. Thank you also to all of my family and friends. I am truly blessed and humbled by your support. Now we have to concentrate and work forward to November 2<sup>nd</sup>. I will continue to run a positive race and do all I can to be your School Board member for District 1.” Sincerely with thanks, April Griffin
